L to R: MSC March Tournament Winners. Kreg Frady, Cam Littlejohn, Terry Caulder.

## Kreg Frady Wins March MSC Individual Tournament. Terry Caulder Takes Big Fish.

Midlands Striper Club's March Individual Tournament was held Saturday, March 20 out of Spinner's Resort, Lake Murray. 53 anglers participated and 22 of those anglers brought 37 fish to the scales. MSC's tournament directors Richy Brensinger and Woody Barnes, both of Lexington, introduced a new "Live Leader Board" to liven up the weigh-in proceedings.

Finishing in 1st Place with three fish weighing 27 lbs. 3 ozs. was MSC Vice-President Kreg Frady of Leesville. In 2nd Place was Terry Caulder of Little Mountain with one fish, a 20 lb. 7 oz. lunker. Terry's fish won him the monthly Nichols Store of Rock Hill Big Fish award and moved him to the leader of the big fish category for the year. Rounding out the top three was MSC President Cam Littlejohn of Columbia, with three fish weighing 17 lbs. 7 ozs. The event's two biggest fish were live released to grow and fight again.

### President's Corner . . .

Spring has sprung. It's time to drop some cut bait through the pollen and land a 20 pound striper.

We had a great March meeting. Thanks to Kreg Frady for organizing the Swap N' Shop and slide show of the Virginia trip, and to Donnie Christopher for some great door prizes. It was announced that the club would fund an oxygenation system for the DNR fry transport trucks. We were able to finalize this project and hope to present a check to the DNR Board later this month. Hopefully we can get some good press for the club in the local media. Treasurer Jamie Casel has sent a check for \$500.00 to the Red Cross for the victims of the Chilean earthquake disaster.

We have lots of tournaments planned in the near future and I hope everyone can participate. Our 2nd boat tournament will be held April 17 and plans will be announced at the meeting. Our annual youth tournament is coming up April 24th at Spinners. Hopefully Jim Gibbs and his assistant

will put together a good time for our youth anglers. Let's all be generous with our fishing intelligence so that everyone can have a good time.

Our annual Hydro Glow night tournament will be June 18th-19th. Hopefully, everyone is attempting to contact potential sponsors for that tournament so our biggest fundraiser of the year can be a success. Jim Goller has prepared a letter of MSC accomplishments which will be available for members to present to sponsors showing them what a great organization we have. Don't forget the Ride-a-long tournament the following weekend, June 26th. Plans will be formalized for that tournament in the upcoming weeks.

Congratulations to Kreg Frady for his big win during the March tournament. Also, kudos to Terry Calder for his big fish and Second Place finish. It was also great to see him release that fish alive, along with Richy Brensinger's 14 pounder.

I urge everyone to talk to potential members for our club. Normally we have members drop out every year, but this year has been a little worse because of the recession. A few new members would certainly help with not only funding, but the friendly competition and fellowship that we all enjoy.
