Team Catchall also caught the Nichols Store of Rock Hill Big Fish, weighing 9.11 lbs.

In second place was the team of Rick Kellemeier, Bill King, Jim King, and Frank Kelly, all from Chapin, with four weighing 18.10. The team of Dickey Maroney and Beverly Baker, both from Leesville, finished third with four fish totaling 15.5 lbs.

The August event's Smallest Creel was weighed by God's Team, consisting of Jerry Broughton from Rock Hill, Matt Southard from York and Kevin Rife from Sharon with one fish weighing 2.14 lbs.

MSC Lady Angler Tournament One Year Ago . . .

Bringing home the 1st Place trophy was none other than Jennifer "Mrs. Fogman" Lindler with two very nice stripers weighing 21 pounds even.

2nd Place honors went to Deidre Landis, who caught two weighing 13-8. Diedre also had the biggest striper of the event weighing 13-8, and earning her Big Fish honors as well, Close behind was Alene Hurst with two weighing 18-3, and earning her 3rd Place.

Fishing was great overall, with 17 Ladies weighing in fish and most catching their 2 fish limits.

PRESIDENT'S CORNER...

Well, our August meeting held at The Flight Deck in Lexington went pretty smoothly for a first attempt. We have some minor kinks in our line to work out, but thankfully, no major backlash!! I believe everyone enjoyed the atmosphere and the food was excellent from all reports. Please remain patient as we work out details, and give recommendations to an officer for areas where you think we need to make changes. A big ThANK YOU to Billy DuRant, James Cassell and James Fogman Lindler for your excellent cut-bait program!

Our August night tournament is in the books. We were fortunate to have good weather with no serious thunderstorms. Congrats to all the winners and thanks to everyone that participated for putting safety first. The points race has tightened up even more, and it appears we are headed for a close finish in both the individual and team competitions. Speaking of competition...

September is Ladies Month!!! It's time to take our ladies out for a fun day on the lake. The annual Lady Angler Tournament is at Jakes from 7:00 a.m. till 12 noon. We will then have plenty of food and drinks, weigh-in to see who the top lady anglers are, and then door prizes! Lester Jones has taken the lead in planning for this event, and we want to have a large turn out. Please support Lester by volunteering or agreeing to help if asked. Let's get those wives, daughters, girlfriends or "significant others" ready for MSC's annual Lady Angler Tournament!!!

President Jon Boy!

Ethanol Problems...

Boats are becoming plagued with ethanol-related fuel problems. Sta-Bil has introduced a new Ethanol-formula stabilizer and Starbrite has introduced StarTron enzyme fuel stabilizer. Use them . . . they work and you may prevent major problems. If you have a fiberglass tank, you are likely to suffer as the ethanol breaks down the resins and causes leaks. *Editor*
