President's Corner...

Thanks to all who helped out last meeting in my absence. I understand we had a great meeting, and thanks to Lowrance for the program.

MSC had a really great ladies' day tournament and my hat's off to the entire club for a job well done. Thanks to everyone involved...it was a huge success.

This month's seminar will be bait and bait tanks. You don't want to miss this, which will be beneficial to all anglers. Bring questions for the bait and tank experts to answer. We'll have some nice door prizes to give away and still have a few MSC t-shirts available. Come on out and bring the family to enjoy a great meeting, some great food and great fellowship among friends, family and anglers.

Good Fishing!

And There We Were...

Out of Jakes to the spillway looking deep for fish that had been reported to be nearby. Looked around and found them in 78 feet of water. Dropped bait to the bottom, three cranks up and boom! I had my five by 8:45. Marshall had 2 when they quit. I got lucky...it really got tough after that. The fish seemed to be deeper than expected this time of year, with reports of fish as deep as 60-100 feet.
